Subject: Diesel Emission Reduction Act grant funding award.

On December 17, 2012 the USEPA awarded NDEP \$126,421 of federal fiscal year 2012 funding under the Diesel Emission Reduction Act program. NDEP will utilize the grant funding under the Nevada State Clean Diesel program to replace an older, diesel-powered street sweeper operated by the Clark County Department of Public Works with a new replacement street sweeper meeting stricter 2010 diesel emission standards.
