## NOTICE OF PROPOSED ACTION

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes and/or the Clean Water Act, where applicable. The Administrator has received an application for a Groundwater Discharge, permit number NS0098015 from the following applicant:

CITY OF LAS VEGAS WATER POLLUTION CONTROL FACILITY  
6005 E VEGAS VALLEY DR  
LAS VEGAS, NV - 89142

### **Permit NS0098015, CITY OF LAS VEGAS WATER POLLUTION CONTROL FACILITY:**

The City of Las Vegas Water Pollution Control Facility (LVWPCF) provides reuse Category B treated effluent for onsite landscape irrigation at LVWPCF, and for other approved uses at various permitted sites throughout the Las Vegas Valley. Discharge limitations for LVWPCF are outlined in NPDES permit NV0020133. Permit NS0098015 will authorize the discharge of up to 9.0 million gallons per day (MGD) of treated effluent for reuse at LVWPCF, Royal Links Golf Club of Las Vegas, Stallion Mountain Country Club, Desert Pines Golf Course, Freedom Park, and NV Energy Sunrise Station. Additional reuse sites may be added during the term of the permit by a minor permit modification as long as the requested discharge rate of 9.0 MGD is not exceeded.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes, as amended, and implementing regulations, the Administrator proposes to issue Permit NS0098015 to discharge for a five (5) year period, subject to certain effluent limitations.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand delivered or postmarked no later than 5:00 P.M. on 09/26/2013, either in person or by mail to:

Department of Conservation and Natural Resources  
Division of Environmental Protection  
Bureau of Water Pollution Control  
901 South Stewart Street, Suite 4001  
Carson City, NV 89701

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determination(s) regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.
