Re: Clark County Infrastructure State Implementation Plan for the 2008 Ozone Standard

Dear Dr. Cripps:

Enclosed please find the draft *Infrastructure State Implementation Plan for the 2008 Ozone NAAQS* (I-SIP). Clark County intends to notice and propose the I-SIP for adoption on the following schedule:

- December 30, 2012: The 30-day public comment period will commence.
- February 19, 2013: A public hearing to consider adoption of the proposed I-SIP by the Clark County Board of County Commissioners (BCC) will be held.
- March 1, 2013: The I-SIP will be submitted to your agency for transmittal to the U.S. Environmental Protection Agency (EPA), Region 9.

We request the draft I-SIP be made part of the state of Nevada's I-SIP submittal and that EPA parallel-process this plan pending completion of the public review process and adoption by the BCC. If you have any questions or comments, please contact me at (702) 455-1600 or Dennis Ransel at (702) 455-1660.

Sincerely,

Lewis Wallenmeyer, Director

Enclosure:

1. Notice of Public Comment
2. Draft 2008 Ozone I-SIP
