NOTICE OF PROPOSED ACTION

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes and/or the Clean Water Act, where applicable. The Administrator has received an application for a Groundwater Discharge, permit number NS2010510 from the following applicant:

EW COUNTRY TERRACE, LLC
463 S. MOONBEAM WAY
EAGLE, ID - 83616

Permit NS2010510, COUNTRY TERRACE MOBILE HOME PARK:

The Country Terrace Mobile Home Park is proposing to continue discharging from their onsite sewage disposal systems (OSDS) at their facility located approximately 12 miles north of downtown Reno in the residential community of Lemmon Valley, Reno, Nevada. Country Terrace operates eight septic tanks and various leach fields located throughout the facility, with a combined OSDS capacity of 66,000 gallons. The park was previously permitted under general permit GNEVOSDS09L0014; however, in accordance with NAC 445A.9542 and 445A.9544, NDEP is requiring the facility to seek coverage under an individual permit due to the OSDS handling more than 15,000 gallons per day.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes, as amended, and implementing regulations, the Administrator proposes to issue Permit NS2010510 to discharge for a five (5) year period, subject to certain effluent limitations.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand delivered or postmarked no later than 5:00 P.M. on 04/15/2014, either in person or by mail to:

Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 South Stewart Street, Suite 4001
Carson City, NV 89701

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determination(s) regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The applications, proposed permits, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by contacting Jason Ferrin,
