

STATE OF NEVADA

Department of Conservation & Natural Resources

Brian Sandoval, Governor

Leo M. Drozdoff, P.E., Director

DIVISION OF ENVIRONMENTAL PROTECTION

Colleen Cripps, Ph.D., Administrator

NOTICE OF PROPOSED ACTION

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes and/or the Clean Water Act, where applicable. The Administrator has received an application for a Groundwater Discharge, permit number NS2009500 from the following applicant:

PILOT TRAVEL CENTERS, LLC
5508 LONAS ROAD
KNOXVILLE, TN - 37909

Permit NS2009500, PILOT TRAVEL CENTER WASTEWATER TREATMENT PLANT - WINNEMUCCA:

The Pilot Travel Center #485 Wastewater Treatment Plant provides tertiary, denitrifying treatment of wastewater generated from a convenience store, dining area, public restrooms, and shower/laundry facilities reserved for the truck drivers. The Pilot Travel Center #485 is located at 5625 West Winnemucca Boulevard, near the Highway 80 Interchange in West Winnemucca, Humboldt County, Nevada. The applicant is proposing to continue to discharge treated effluent with a 30-day average limit of 0.010 million gallons per day (MGD) and a daily maximum limit of 0.015 MGD. The effluent is disposed in an onsite leachfield via percolation.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes, as amended, and implementing regulations, the Administrator proposes to issue Permit NS2009500 to discharge for a five (5) year period, subject to certain effluent limitations.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand delivered or postmarked no later than 5:00 P.M. on 08/01/2014, either in person or by mail to:

Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 South Stewart Street, Suite 4001
Carson City, NV 89701

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determination(s) regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The applications, proposed permits, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by contacting Jason Ferrin, Bureau of Water Pollution Control, at (775) 687-9502 or at jferrin@ndep.nv.gov. The office facsimile number is (775) 687-4684. For further information, the fact sheet for this project can be viewed at the following website: <http://ndep.nv.gov/admin/public.htm>.

Please bring the forgoing notice to the attention of all persons whom you know would be interested in

this matter.
