DIVISION OF ENVIRONMENTAL PROTECTION

Colleen Cripps, Ph.D., Administrator

## PUBLIC NOTICE

The Administrator of the Nevada Division of Environmental Protection gives notice, under the Nevada Revised Statutes 444.440 through 444.620, inclusive, and under the Nevada Administrative Code 444.570 through 444.7499, inclusive, that the Division has received a request to modify a Permit to construct and operate a Class II Landfill from the following applicant:

### **Pershing County (Pershing County Class II Landfill)**

Pershing County has requested to modify the existing Class II Municipal Solid Waste Landfill approximately 3 miles west of Lovelock, Nevada. The proposed modification includes a change in the landfill footprint, with no change in total area, a height increase of 20 feet, and the addition of gas monitoring wells. The Administrator is constrained to either issue the modified permit or deny the request in accordance with NAC 444.641. The Administrator is issuing this notice of intent to issue the modified Permit to the applicant.

The applicant or any interested persons may submit written comments on this proposed intent by the Administrator regarding permit issuance. Written comments must be submitted **no later than 5:00 pm on August 25<sup>th</sup> 2014** to:

#### NDEP contact in regard to this permit and public hearing and public notice:

The Draft Permit, Fact Sheet and Application for modification are available for review at the above address. A statement responding to all comments received will be issued. Copies of the statement will be sent to the applicant, person(s) who submitted written comments, and all other persons who specifically request, in writing, a copy of the statement. A copy of the statement will be made available for public viewing at a location to be determined by the Administrator. The Administrator may extend the period for public comment as necessary.

Within 30 days after the end of the public review period, the Administrator will either issue or deny the permit to operate the disposal site, or may modify, or place conditions on, the permit issued in accordance with NAC 444.6425.

Additional information may be obtained by contacting Paul Eckert, Nevada Division of Environmental Protection, Permitting Branch (see NDEP contact information above).
