

## PUBLIC NOTICE

The Administrator of the Nevada Division of Environmental Protection (Division) gives notice, under the Nevada Revised Statutes 444.440 through 444.620, inclusive, and under the Nevada Administrative Code 444.570 through 444.7499, inclusive, that the Division has received a request to issue a Permit to construct and operate a Compost Plant from the following applicant:

### **Western Elite Inc. (Western Elite Compost)**

Western Elite Inc. has requested to construct and operate a Compost Plant approximately 65 miles north of Las Vegas, Nevada. The Administrator is constrained to either issue the Permit or deny the request in accordance with NAC 444.641. The Administrator is issuing this notice of intent to issue the Permit to the applicant.

The applicant or any interested persons may submit written comments on this proposed intent by the Administrator regarding Permit issuance. Written comments must be submitted **no later than 5:00 pm on September 28<sup>th</sup> 2015** to:

#### Division contact in regard to this Permit and public notice:

Paul Eckert, P.E.  
Division of Environmental Protection  
Bureau of Waste Management

The Draft Permit, Fact Sheet and application are available for review at the above address. A statement responding to all comments received will be issued. Copies of the statement will be sent to the applicant, person(s) who submitted written comments, and all other persons who specifically request, in writing, a copy of the statement. A copy of the statement will be made available for public viewing at a location to be determined by the Administrator. The Administrator may extend the period for public comment as necessary, or schedule a public hearing, if requested, or due to significant public interest.

Within 30 days after the end of the public review period, the Administrator will either issue or deny the Permit to operate the disposal site, or may modify, or place conditions on, the Permit issued in accordance with NAC 444.6425.

Additional information may be obtained by contacting Paul Eckert, Nevada Division of Environmental Protection, Bureau of Waste Management, Permitting Branch (see Division contact information above).
