

NOTICE OF PROPOSED ACTION

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes and/or the Clean Water Act, where applicable. The Administrator has received an application for a Groundwater Discharge , permit number NS2015510 from the following applicant:

GRANITE CONSTRUCTION
1900 GLENDALE AVENUE
SPARKS, NV - 89431

Permit NS2015510, SOUTHEAST CONNECTOR PHASE II:

The Regional Transportation Commission of Washoe County (RTC) has applied to modify a permit to discharge treated effluent from the Truckee Meadows Water Reclamation Facility (TMWRF, NS2006512) and groundwater and surface water encountered during construction. The proposed discharge will be used for dust control, irrigation, and other construction water purposes.

The project will include construction of a 6-lane arterial roadway from south of Clean Water Way and ending at the existing intersection of South Meadows Parkway and Veterans Parkway. The roadway alignment will bisect the Steamboat Creek floodplain, and parallel Steamboat Creek through North and South Butler Ranch to Mira Loma Drive, through Rosewood Lakes Golf Course to Pembroke Drive, and north through the former University of Nevada, Reno agricultural land to Clean Water Way.

Dewatering activities will be performed in accordance with the Division-reviewed dewatering plan.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes, as amended, and implementing regulations, the Administrator proposes to issue Permit NS2015510 to discharge for a five (5) year period, subject to certain effluent limitations.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand delivered or postmarked no later than 5:00 P.M. on 08/19/2016 , either in person or by mail to:

Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 South Stewart Street, Suite 4001
Carson City, NV 89701

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determination(s) regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The applications, proposed permits, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by contacting Robert E.

Wimer, Jr., Bureau of Water Pollution Control, at (775) 687-9458 or at rwimer@ndep.nv.gov. The office facsimile number is (775) 687-4684. For further information, the fact sheet for this project can be viewed at the following website: <http://ndep.nv.gov/admin/public.htm>.

Please bring the forgoing notice to the attention of all persons whom you know would be interested in this matter.
