The Permittee, Kiley Links LLC, has applied for the renewal of permit NS2004517 for the Links at Kiley Ranch, a 9-hole golf course located in Washoe County, Nevada. The Permittee currently utilizes Category B (NAC 445A.276) treated effluent (reuse) water for golf course irrigation on turf grass, landscaped areas, the driving range, the chipping green and the putting course, all of which covers approximately 48 acres. Pond #3 is used as the irrigation pumping lake.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes, as amended, and implementing regulations, the Administrator proposes to issue Permit NS2004517 to discharge for a five (5) year period, subject to certain effluent limitations.

All comments or objections received within the thirty (30) day period will be considered in the formulation of final determination(s) regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.
