Water Pollution Control Permit
Nevada Division of Environmental Protection

PUBLIC HEARING

EDEN Research Facility
Dayton High School
Sept. 9, 2009

Agenda

- I. Welcome** – Jill Lufrano, Public Information Officer, NDEP
- II. EDEN Research Facility Overview** – Eden Research, LLC
- III. Oral Comments** – Audience members are invited to ask questions of EDEN Research, LLC. These comments will *not* be included in NDEP’s public process or permit review process.
- IV. 10-minute Break** – Please take this time to fill out comment cards or public comment forms. Comment cards will allow you to comment during tonight’s Public Hearing portion. NDEP staff will collect comment cards before proceeding with the Public Hearing.
- V. Public Hearing** – NDEP’s Bureau of Mining Regulations and Reclamation Staff will present an overview of EDEN Research’s Water Pollution Control Permit application process and review.
- VI. Public Comments** – NDEP staff will call for comments according to submitted name cards. Please fill out and submit a comment card to NDEP staff before the Public Hearing begins. These comments will be recorded and utilized during the permit process. NDEP may set a five-minute time limit for oral statements based on the number of people in attendance.
- VII. Collection of Written Public Comments** – Written comments must be completed by this time to be included in the Water Pollution Control permit review process.
- VIII. Adjournment**
