

**Join us!**

# 4th Annual Carson River SNAPSHOT DAY

**Saturday, October 17, 2009  
9:00 am to Noon**

- ◆ **Attend** this volunteer water quality and monitoring event to assess the Carson River's water resources and to gain a better understanding of environmental stewardship.
- ◆ **Learn** about living in the Carson River Watershed and collect valuable data to provide a "snapshot" in time of water quality and stream conditions.
- ◆ **Enjoy** a Saturday morning outdoors on the river. Volunteer monitoring teams guided by water resource professionals will conduct field tests ; collect water samples for laboratory analysis; and conduct visual habitat assessments of the sites.
- ◆ Staging location - Carson Water Subconservancy District office.

*HAVE FUN with  
friends & family! Learn  
about your watershed*

Send **REGISTRATION** information to [mkwagner@ndep.nv.gov](mailto:mkwagner@ndep.nv.gov) OR CALL (775) 687-9454

Your Name: \_\_\_\_\_

Phone Number: \_\_\_\_\_

E-mail Address: \_\_\_\_\_

- ◆ You will be assigned to a site to meet your Team at 9:00am on Snapshot Day.

Your participation is important!

The number of stream sites sampled depends on the number of registered participants.

If you register but later find you cannot attend, please call to cancel.

**We hope to see you at our 4th Annual Carson River Snapshot Day 2009!**
