

# Family-friendly Water Workshop for Educators on the shore of Lake Tahoe Saturday, June 30

1/2 unit credit for teachers plus nature activities for teachers' kids

Excite your students with project-based learning which links all subjects to nature and to our watershed.

Teachers, share a summer day at Lake Tahoe with your own children as you learn fun new ways to tie nature to all subjects in your classroom.

Receive guide full of activities

- ◆ Hike and explore at Spooner Lake
- ◆ Try new Project WET activities
- ◆ Chance to test Tahoe water from kayaks

## Newly revised Project WET Curriculum and Activity Guide

- ◆ Connect to the most comprehensive and extensive collection of water education materials in the world.
- ◆ Link to the vast resources of the Project WET Foundation and other resource partners.
- ◆ Hands-on, inquiry-based lessons that are ready for use and aligned to Nevada State Standards, S.T.E.M., and the Common Core State Initiative.
