

Tahoe Project WET for Families!

Spend a summer Saturday on the shore of Tahoe learning about our watershed and sharing nature with your family! Get the updated Project WET activity guide, earn a half credit, hike and dip net for aquatic species at Spooner Lake, and get a chance to test Tahoe water from a kayak. There will be nature activities for teachers' school-age children. Link all subjects to nature and our watershed.

Saturday, June 30 9 AM at Spooner Lake, afternoon at Camp Galilee 'til 5:30 PM

followed by optional barbecue, camp fire, & more kayaking!
