Lake Tahoe Community College Aspen Room
1 College Drive, South Lake Tahoe, CA 96150

Trout in the Classroom Training, 9am – 12pm, FREE
Project WILD Aquatic Educator Training, 1pm – 5pm, \$25

Trout in the Classroom connects students and community members to their native trout and local watersheds through a multi-faceted service learning project.

Learn...

- How to set up tanks and 'grow' trout in your classroom
- Information on trout reintroduction and release timing
- The permitting process for raising and releasing native trout
- About assistance in classroom support & project implementation

For more information about Trout in the Classroom, visit www.troutintheclassroom.org or call California Trout's Tahoe office at 530-541-3495

***Attention Teachers:** California Trout, a local non-profit, has some equipment funds to supply four schools/classes in South Tahoe interested in participating in Trout in the Classroom this year with equipment. By registering for both of these workshops you will be entered into a drawing to receive equipment for your school/class!!*

Project WILD Aquatic is an award-winning environmental education program focusing on aquatic wildlife and ecosystems.
Become a certified Project WILD Aquatic Educator!

Registration cost of \$25 is for the curriculum guide, which includes:

- Interdisciplinary and hands-on activities for grades K-12
- Background, methods, materials, and extensions for each activity
- Meets California State Content standards
- Perfect compliment to Trout in the Classroom
