Clean Cars Nevada: Vehicle Manufacturer Contact Form

Use this form to identify the main point of contact for Zero Emission Vehicle (ZEV) credit reporting in Nevada. You may also list up to four secondary contacts.

The primary contact is responsible for submitting ZEV sales reports to the Nevada Division of Environmental Protection (NDEP). These reports include any vehicles that qualify for Nevada's ZEV program and are delivered for sale in the state.

Credits earned through these reports will be recorded in California's ZEV Credit Reporting and Data Tracking System for the applicable model year.

All listed contacts will automatically be added to NDEP's ZEV Credit Program email list. This ensures they receive updates, reminders, and important program announcements.

Completed forms and all reporting materials should be emailed to
CleanCarsNevada@ndep.nv.gov.

Contact information for the primary point of contact:
