**Web Posting: 12/14/2018**

**Deadline for Appeals: 12/24/2018**

**Reclamation Permit 0041  
Rawhide Mining LLC  
Denton-Rawhide Mine**

The Administrator of the Division of Environmental Protection (Division) has decided to issue a revised Reclamation Permit 0041 for the major modification of the Denton-Rawhide Mine Project to Rawhide Mining LLC (Permittee). This Permit authorizes the Permittee to reclaim the Denton Rawhide Mine located in Mineral County, Nevada. The Division has been provided with an application, in accordance with Nevada Revised Statutes and Nevada Administrative Code (NAC) 519A to assure the Division that the Permittee will leave the project site safe, stable, and capable of providing for a productive post-mining land use.

This Permit will become effective December 29, 2018 and upon receipt by the Division of an acceptable surety, or verification from the federal management agency that satisfactory surety has been posted. The final determination of the Administrator may be appealed to the State Environmental Commission (Commission) pursuant to NAC 519A.415. All requests for appeals must be filed by 5:00 PM, December 24, 2018, on Form 3 with the Commission at 901 South Stewart Street, Suite 4001, Carson City, Nevada 89701-5249, and in accordance with administrative rules of the Commission.

This Permit authorizes 1658.8 acres of Phase I surface disturbance of a total permitted surface disturbance of 2225.6 acres on private lands and public lands administered by the Bureau of Land Management as described in the February 28, 2018 Amended Plan of Operations, Reclamation Plan Revision 1 permit application, dated February 2018, and subsequent revisions. No public comments were received.
