

PUBLIC NOTICE

REQUEST FOR COMMENT

The Nevada Division of Environmental Protection (NDEP) is requesting public comment on the Draft Permit Modification for the Resource Conservation and Recovery Act (RCRA) Hazardous Waste treatment and storage facility at **21st Century Environmental Management of Nevada, LLC** located in Fernley, Nevada. The Permit Modification is for the authorization to construct and operate a new Aerosol Processing Unit (APU); permanently close and remove the Silver Recovery Unit; add a new filter press; and replace Tank 303.

The Administrative Record for the proposed modification to the RCRA Permit, which includes the Permit Modification Application, Fact Sheet and Draft Permit, is available for public review between the hours of 8:00 am and 5:00 pm at the NDEP Carson City office located at 901 S. Stewart Street, Suite 4001, Carson City, Nevada. To make arrangements to review the application files or to obtain additional information, please contact Jocelyn Moran at (775) 687-9477 or by e-mail at jmoran@ndep.nv.gov. Additional information may be viewed on the NDEP website at: <https://ndep.nv.gov/posts>.

Comments may be submitted to the NDEP during the 45-day public comment period that begins on **December 16, 2024** and ends on **January 31, 2025**. Comments may be submitted in writing via mail or email. Written comments on the proposed modification to the RCRA Permit should be postmarked or emailed on or before **January 31, 2025** and sent to:

Jocelyn Moran
Nevada Division of Environmental Protection
Bureau of Sustainable Materials Management
