

NOTICE OF PROPOSED ACTION

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes and/or the Clean Water Act, where applicable. The Administrator has received an application for a Groundwater Discharge, permit number NS2002513 from the following applicant:

GALEPPI LAND & LIVESTOCK COMPANY
560 GENOA LANE
MINDEN, NV - 89423

Permit NS2002513, GALEPPI RANCH:

The Permittee, Galeppi Land and Livestock Company, has applied for the renewal of groundwater discharge permit NS2002513 for the Galeppi Ranch located at 560 Genoa Lane in Genoa, Douglas County, Nevada. The Permittee proposes to continue to use reclaimed water supplied by the Minden-Gardnerville Sanitation District (MGSD) (Permit #NS0040027), for the irrigation of its common property. A portion of the fields are supplemented with reclaimed water, while it is the primary source of irrigation on others. The fields which use reclaimed water as a supplement also use water from the Carson River located to the west of the ranch. Surface water diversions provide the primary source of irrigation water on most fields. Discharges to the Carson River or its tributaries are strictly prohibited.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes, as amended, and implementing regulations, the Administrator proposes to issue Permit NS2002513 to discharge for a five (5) year period, subject to certain effluent limitations.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance should submit their comments or request, in writing, hand delivered or postmarked no later than 5:00 P.M. on 09/13/2024, either in person or by mail to:

Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 South Stewart Street, Suite 4001
Carson City, NV 89701

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determination(s) regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

A public hearing on the proposed determination can be requested by the applicant, any affected State, any affected interstate agency, the Regional Administrator of EPA Region IX or any interested agency, person or group of persons. The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. Any public hearing determined by the Administrator to be held must be conducted in the geographical area of the proposed discharge or any other area the Administrator determined to be appropriate. All

public hearings must be conducted in accordance with NAC 445A.238.

The applications, proposed permits, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by contacting Bonnie Hartley, Bureau of Water Pollution Control, at (775) 687-9502 or at bhartley@ndep.nv.gov. The office facsimile number is (775) 687-4684. For further information, the fact sheet for this project can be viewed at the following website: <https://ndep.nv.gov/posts/category/water>.

Please bring the forgoing notice to the attention of all persons whom you know would be interested in this matter.
