

NOTICE OF PROPOSED ACTION

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes and/or the Clean Water Act, where applicable. The Administrator has received an application for a Groundwater Discharge, permit number NS0093005 from the following applicant:

HUMBOLDT COUNTY PUBLIC WORKS
50 W. FIFTH STREET
WINNEMUCCA, NV - 89445

Permit NS0093005, MCDERMITT SEWAGE TREATMENT PLANT:

The Permittee, Humboldt County Public Works, has applied for the renewal of Permit NS0093005 for the McDermitt Sewage Treatment Plant (MSTP), at ½ mile southwest of Highway 95 North near the Nevada/Oregon border, in McDermitt, being within Humboldt County, Nevada. The Permittee proposes to continue to discharge treated effluent to groundwater of the State via an evaporation/percolation basin.

The MSTP provides wastewater treatment, primarily made up of domestic sewage, and a small portion of commercial, for the central McDermitt service area. The city of McDermitt is a small community of approximately 500 people, with the treatment plant serving approximately 100 connections including the school district, a casino and a cafe, a motel, and a gas station. The plant is designed to treat up to a 30-day average of 100,000 gallons per day (Gal/d) of domestic wastewater, with a maximum daily flow rate of 150,000 Gal/d.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes, as amended, and implementing regulations, the Administrator proposes to issue Permit NS0093005 to discharge for a five (5) year period, subject to certain effluent limitations.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance should submit their comments or request, in writing, hand delivered or postmarked no later than 5:00 P.M. on 11/17/2025, either in person or by mail to:

Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 South Stewart Street, Suite 4001
Carson City, NV 89701

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determination(s) regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

A public hearing on the proposed determination can be requested by the applicant, any affected State, any affected interstate agency, the Regional Administrator of EPA Region IX or any interested agency, person or group of persons. The request must be filed within the comment period and must

indicate the interest of the person filing the request and the reasons why a hearing is warranted. Any public hearing determined by the Administrator to be held must be conducted in the geographical area of the proposed discharge or any other area the Administrator determined to be appropriate. All public hearings must be conducted in accordance with NAC 445A.238.

The applications, proposed permits, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by contacting Melissa Hanson, Bureau of Water Pollution Control, at (775) 687-9315 or at mhanson@ndep.nv.gov.
