Permit NV0023159, CLARK COUNTY REGIONAL JUSTICE CENTER:

The Permittee, Clark County, has applied for the renewal of their National Pollutant Discharge Elimination System Permit NV0023159, for the Clark County Regional Justice Center (CCRJC) main building which is located at 200 Lewis Street, with the Central Plant being located at 270 E. Clark Avenue, in Las Vegas, within Clark County, Nevada. The CCRJC was built in 2005 and is a 19-story building that houses various courts, including the Eighth Judicial District Court, Las Vegas Township Justice Court, and Municipal Court. Subgrade portions of this facility are dewatered to prevent structural damage from the elevated water table in the area. The Permittee proposes to continue to discharge treated, intercepted groundwater to the Las Vegas Wash via the Clark County storm drain system.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes, as amended, and implementing regulations, the Administrator proposes to issue Permit NV0023159 to discharge for a five (5) year period, subject to certain effluent limitations.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance should submit their comments or request, in writing, hand delivered or postmarked no later than 5:00 P.M. on 04/13/2026, either in person or by mail to:
