

NOTICE OF PROPOSED ACTION

by the
State of Nevada
Division of Environmental Protection
Bureau of Air Pollution Control

PUBLIC NOTICE

Pursuant to Nevada Revised Statutes (NRS) Chapter 445B, the Nevada Administrative Code (NAC) Chapter 445B, and the Clean Air Act, the Nevada Division of Environmental Protection is issuing the following Notice of Proposed Action.

The Director received an application for a revision of Class II Air Quality Operating Permit, AP9223-2093.03 (FIN A0670A) from the following applicant:

Nevada Department of Corrections
3955 West Russel Road
Las Vegas, NV 89118

Nevada Department of Corrections – Northern Nevada Correctional Center is located at 1721 Snyder Avenue, Carson City, Nevada. The project is located in all or portions of Section 4, Township 14N, Range 20E, M.D.B.&M.

NDOC-NNCC operates a prison facility. This permit action seeks to remove all currently permitted units, which includes 4 boilers and 2 fuel storage tanks, while adding 6 boilers and 2 fuel storage tanks. There are also several non-permitted emission units associated with NDOC-NNCC which have been added, removed, or updated. These changes result in an overall reduction in PM, PM₁₀, PM_{2.5}, SO₂, NO_x, CO, and VOC emissions.

On the basis of the preliminary review and the requirements of the NRS, the NAC and the Clean Air Act, the Director is hereby announcing his intent to issue the proposed Class II Air Quality Operating Permit based on a review of the information submitted. A copy of this document, the draft permit, and the Director's Review will be available for public inspection at <http://ndep.nv.gov/posts>.

Persons wishing to comment regarding this proposed action, or to request a hearing pursuant to NRS 445B Air Pollution and NAC 445B Air Controls, should submit their comments or request in writing, either in person or by mail within thirty (30) days to:

Tanya Soleta, P.E.
Nevada Division of Environmental Protection
Bureau of Air Pollution Control
901 South Stewart Street, Suite 4001
Carson City, Nevada 89701
aircomments@ndep.nv.gov

The application, Director's Review, proposed permit, any comments received, and other relevant information may be copied at the above address or copies may be obtained by written request to the above address. Written comments or objections will be received at the Nevada Division of Environmental Protection, above address, until **March 27, 2025**, and will be retained and considered prior to final action on the proposed Class II Air Quality Operating Permit.

Please bring the foregoing notice to the attention of all interested persons.
