

BROWNFIELDS PROGRAM PROJECT FACT SHEET

1092 6th Street Wells, Elko County

SITE BACKGROUND

The City of Wells' historic downtown corridor, the community's main source of tourism and tax dollars, was devastated by a 2008 magnitude 6.0 earthquake. The City of Wells has prioritized the redevelopment of its downtown corridor, and has prepared a Mixed Use Redevelopment Project plan which designates a Redevelopment Area (RDA) to provide tax and other incentives to developers and new businesses. The redevelopment plan intends to address the growing need for housing, retail, hospitality, and recreational opportunities associated with the growth of mining in Elko County. The property at 1092 6th street is located within the RDA and is an integral parcel in the proposed mixed-use project. It is comprised of 4,000 sq. ft. auto garage that was constructed in 1991 and is not currently in use. The parcel is privately owned, and the owners are committed to selling to property to the City of Wells to facilitate redevelopment.

FUNDING

<u>Activity</u>	<u>NBP Funding</u>	<u>Date</u>
Phase I Environmental Site Assessment	\$5,200	2018

INVESTIGATIONS

A Phase I Environmental Site Assessment (ESA) revealed the following RECs:

- Staining typical of an auto repair business was observed in the garage building, outside the repair bays, and on the parking lot.

Based on the age of the building, the report also recommends conducting an asbestos survey if the building is demolished.

SITE LOCATION

- Address: 1092 6th Street, Wells, Elko County
- APN: 002-760-049
- 0.7 acres

CURRENT STATUS

The City of Wells plans to redevelop the site into mixed-use, which may include residential, retail, office, or recreation.
