AGENDA

1. Introduction and brief explanation of revision process by the NDEP Staff.
2. Public comment (for discussion).
3. Presentation and discussion of proposed regulation R161-24. NDEP staff will provide background on the purpose and need for the proposed revisions to the Nevada Administrative Code 444. The proposed amendments to the Nevada's existing hazardous waste regulations will: 1) adopt by reference certain federal regulations with which a person who generates, transports, treats, stores, disposes or otherwise manages hazardous waste or used oil must comply; (2) set forth certain specific parts and sections of federal regulations that are not adopted by reference or are adopted by reference but with certain revisions; and (3) deem certain references in specific parts and sections of federal regulations to have certain meaning, with limit exceptions.
4. Public comment (for discussion).
5. Closing comments by the NDEP staff.

* Public comment may be limited to five minutes per person at the discretion of the chairperson. The chair reserves the right to dispense with repetitive comments on a given topic.

This notice has been posted on the official State website, the Nevada Legislature website and the NDEP website, at the NDEP offices in Carson City and Las Vegas, at the State Library in Carson City and at County libraries throughout Nevada.
