

## RCRA Hazardous Waste Permitting Fees<sup>1</sup>

- **Certificate of Designation, RCRA Permit or Written Determination** – the fee amount is dependent upon the specific type of regulated unit and/or hazardous waste operation. A deposit in the amount indicated below is due at the time of application submittal. Staff time devoted to processing of the application will then be charged against the deposit at a rate of \$50/hour.

<u>Hazardous Waste Regulated Unit</u>	<u>Fee (Maximum)</u>
Landfill, Boiler, Industrial Furnace or Incinerator <sup>2</sup> .....	\$50,000
Treatment Unit.....	50,000
Surface Impoundment, Thermal Treatment, Waste Pile.....	25,000
Storage Unit.....	25,000
<i>Written Determination</i> for Facility for the Recycling of Hazardous Waste w/o Storage.....	10,000
<i>Written Determination</i> for Mobile Unit for the Recycling of Hazardous Waste.....	10,000

- **Permit Modification** – fee amount depends upon the type of modification

<u>Modification Type<sup>3</sup></u>	<u>Fee</u>
Class 1 (with prior approval).....	\$500
Class 2.....	1,500
Class 3.....	5,000

- **RCRA Permit Renewal** – fee due with renewal application every 5 years

All Permit Types.....	\$15,000
-----------------------	----------

- **Annual Permit Fee** – due March 1<sup>st</sup>, depends on the type of regulated unit

<u>Permitted Activity or Regulated Unit</u>	<u>Annual Permit Fee</u>
Landfill, Boiler, Industrial Furnace or Incinerator.....	\$50,000
Treatment Unit.....	10,000
Thermal Treatment of Waste Munitions of the Armed Forces of the United States or its contractor, including, without limitation, detonation.....	7,500
Storage of hazardous waste.....	2,500

- **Quarterly Volume Fee** – due 30 days after each quarter ends, amount depends upon type of hazardous waste received and type of treatment and/or disposal in prior quarter.

<u>Permitted Activity or Regulated Unit</u>	<u>Quarterly Permit Fee</u>
Disposal via landfill, boiler, industrial furnace, incinerator, open burning or open detonation of:	
• RCRA hazardous waste.....	\$19.00 / ton
• Treated waste that is no longer hazardous at time of disposal.....	4.00 / ton
• PCB waste or waste designated as hazardous in its State of origin..... (but is not RCRA hazardous waste)	3.50 / ton
Treatment/Storage of waste for offsite disposal.....	5.00 / ton

1. This fee structure was approved by the State Environmental Commission on 8 Oct, 2014, with an effective date of 24 Oct, 2014. Until codified, the adopted regulation can be found in the [LCB File No. R038-13A](#), dated 24 Oct, 2014.
2. If the facility contains both a landfill and an hazardous waste incinerator, then the maximum fee is \$100,000.
3. Class 1, Class 2 and Class 3 modifications have the meanings ascribed to them in Appendix I of 40 C.F.R. 270.42, as adopted by reference in NAC 444.8632.
