Facility Summary

Site Summary

Lincoln County operates a Class II municipal solid waste disposal facility at the Crestline Landfill. The Crestline Landfill comprises of approximately 49 acres within a larger 1,280-acre property. The site is accessed by proceeding approximately nine miles east of the town of Panaca, Nevada on State Route 319 and approximately 10 miles south of the intersection of State Route 319 and former State Route 75.

The Crestline Landfill operates as a Class II solid waste disposal facility and receives 20 tons or less per day of municipal solid waste. The facility services Lincoln County as the primary disposal available.

The hours of operation for the facility is currently 7:30 a.m. to 4:00 p.m., Monday through Friday. The facility will be closed on major holidays including:

- Christmas, New Year's Day,
- Thanksgiving and the day after,
- Nevada Day,
- President's Day,
- The Fourth of July,
- Labor Day,
- Veteran's Day,
- Memorial Day, and
- Martin Luther King Jr. Day.

The access road to the Crestline Landfill is an improved gravel road. The County is responsible for year-round road maintenance and snow removal during the winter months. There is no surface water located within one mile of the site and ground water is approximately 220 feet beneath ground surface at the site. Gas monitoring is performed at the site on a quarterly basis to allow for the detection of methane gas concentrations in excess of 25 percent of the lower explosive limit (LEL) in facility structures, or 100 percent of the LEL at the site boundary.
