LEGISLATIVE SOLID WASTE HISTORY SINCE 1993

YEAR	BILL #	SUMMARY	NRS #
1995	AB 449	Raised the county population threshold for requirement to offer curbside collection of recyclables from 40,000 to 100,000.	444A.040
1999	AB 564	Clark & Washoe to offer curbside collection of recyclables at public buildings; NDEP to assist State agencies to recycle; school districts to recycle paper.	Various
2001	AB 650	Changed the county population threshold for requirement to offer recycling drop-off centers from 25,000 to 40,000.	444A.040
2001	SB 424	Illegal dumping: authorities, enforcement, penalties. Clark Health District may establish a hearing officer to adjudicate alleged solid waste violations.	444.621- 444.640
2005	SB 396	Allows SEC to establish a fee schedule for solid waste disposal sites within areas of NDEP jurisdiction.	444.560
2005	SB 396	Limits the authority of NDEP personnel to conduct an inspection without a search warrant.	444.570
2005	SB 396	Counties of 100,000 or greater must make information on recycling opportunities available to businesses at time of business license application.	444A.040
2005	SB 396	Counties of 40,000 or greater must review/propose changes at least every two (2) years; submit a report to the NDEP by July 30 of each even-numbered year.	444A.050
2005	SB 396	Gives authority to NDEP to award grants to specific entities for projects that enhance solid waste and recycling.	444A.110
2007	SB 331	Requires NDEP to encourage the NV System of Higher Education to research and develop methods for reduction/reclamation/conversion of solid waste.	444A.110
2007	AB 178	A county whose population is over 400,000 shall establish a pilot program for collecting and separating recyclable material with a potential as a source of renewable energy or renewable fuel.	444A.120
2009	AB 426	Requires the NDEP to conduct an electronic waste study. The study will include an inventory of existing programs, an evaluation of same and a report of the results with recommendations to legislation.	N/A
2009	SB 137	Municipalities with curbside recycling must offer the service to multi-family dwellings (as defined in NRS444A), and for approval, plans for construction or major renovation of an MFD must provide space for collecting recyclables on the premises. Authorizes the System of Higher Education to use proceeds from recycling programs to support said programs. These moneys must be accounted for separately.	444A, 268, 278
2009	SB 186	Requires solid waste management authorities to permit facilities for the management of waste tires. Said facilities must obtain a permit to operate prior to commencing operations. Once a permit is issued a tire disposal ban is to be implemented in the county where located. Requires penalties for non-compliance and provides for specific exemptions to the disposal ban.	Various

LEGISLATIVE SOLID WASTE HISTORY SINCE 1993 (continued)

YEAR	BILL #	SUMMARY	NRS #
2011	AB 427	Appointed a committee to conduct an interim study concerning the establishment of a program for requiring the payment and refund of deposits on recyclable products sold in this State. The study must include, without limitation: (1) Consider recyclable commodities to be included in the program. (2) An analysis of the process for payment and refund of deposits on recyclable commodities, including, without limitation, the creation of redemption centers. May include consideration of other methods of encouraging recycling. (3) Submit a report of results and recommendations.	N/A
2011	AB 545	Increased the population threshold for availability of recycling programs. Changed the 40,000 threshold to 45,000.	444A.040
2011	SB 417	Revise the requirement concerning the adoption of regulations by the Commission and the Division for the separation of recyclable material at the source to require those regulations to include provisions for the placement of recycling containers on the premises of apartment complexes and condominiums where those services are provided.	444A.020 & .030
2013	AB 44	This bill restricts the authority of an association of a planned community to regulate the storage of trash and recycling containers on the premises of attached or detached residential units with curbside trash and recycling collection.	116
2013	SB 449	Existing law sets forth penalties for a person who is found guilty of illegally disposing of solid waste, sewage or certain other similar materials three or more times during a period of 2 years. This bill increases from 2 years to 4 years the period during which a third or subsequent offense involving the illegal disposal of any cesspool or septic tank effluent or solid waste subjects the offender to those penalties.	444.630
2013	SB 123	This bill requires a plan be submitted to the PUC for the retirement or elimination of coal-fired electric generating capacity in Clark County and that the eliminated capacity be replaced with renewable energy facilities under a schedule specified in the bill. The bill does specify that remediation and reuse of coal-fired generation sites is under the jurisdiction of NDEP.	444.495
2015	SB 110	New requirement to accept recreational vehicles for disposal in certain circumstances. A municipal solid waste landfill shall accept a recreational vehicle for disposal if: 1. The person disposing of the recreational vehicle pays any applicable fee and provides the title to the recreational vehicle, indicating that he or she is the owner. 2. Accepting the recreational vehicle for disposal does not violate any applicable federal or state law or regulation relating to the operation of the municipal solid waste landfill.	444.559
