Clean Water Priority List Workshop

1) Call to order

Jason Cooper of the Nevada Division of Environmental Protection (NDEP) opened the workshop.

2) Public comment

There were no public comments.

3) Presentation and discussion of the Clean Water State Revolving Fund Priority List effective July 2022

Review of numeric ranking criteria on the priority list

Mr. Cooper of NDEP gave a presentation outlining the ranking criteria for the Clean Water State Revolving Fund (CWSRF) Project Priority List Effective July 2022. He explained how the list is created, and ranking points as they apply to priority classes A, B, and C.

- **Class A:** Project benefits public health and/or the environment.
- **Class B:** Project necessary to increase reliability or sustainability.
- **Class C:** Other Clean Water needs projects.

Review of projects on the priority list, project readiness to proceed, and bypassing projects on the priority list

Mr. Cooper gave a presentation on reviewing projects on the CWSRF Priority List, project readiness to proceed, and bypassing projects on the priority list. Mr. Cooper noted that applicants must be on the priority list in order to receive funds. Once they are on the list, applicants are left on the list until their projects are complete in case additional funding is needed.

The priority list currently has 70 projects:

- **26 – Fundable projects that are moving forward** (cost of \$495,598,439)
 - **37 – Projects that are not ready to proceed** (cost of \$410,745,438)
 - **7 – Projects that are already funded** (cost of \$70,334,880)
-
