

CHECKLIST FOR TEMPORARY DISCHARGE PERMIT

Please include this checklist, along with the items listed below, with the signed Notice of Intent:

- A narrative description, or a mini workplan, providing the following information:
 - > Purpose of the project;
 - > A description of the site and its physical location;
 - > A description of the work to be performed;
 - > A description of the discharge location;
 - > Duration of the project;
 - > Projected project start date;
 - > Origin of the source water to be used; and
 - > Estimated gallons per minute to be discharged each day.
- A best management practices plan.
- A topographic map.
- A site map, including the discharge location.
- If applicable, a list of any permits, including prior permits, issued, by the Bureau of Water Pollution Control, for the project.
- Proof of ownership of receiving location of the discharge or demonstrated proof of authorization to discharge to the receiving location.
- Profile I water quality analysis of the water to be discharged, or a representative water quality analysis.
