WATER POLLUTION CONTROL GENERAL PERMITS SYSTEM

Online General and Temporary Permits System – In an effort to improve our service to the public, NDEP has developed an electronic process for the submission of the Notices of Intent (NOI) for Permit Applications. The NOI provides immediate confirmation that a permit application has been received by NDEP. It also allows faster processing time for the regulated community. Currently, NDEP is managing approximately 2000 permittees annually under this program. Just follow the instructions below to submit the NOI electronically to NDEP.
