These six provisions are important! Make sure to read them.
Is This Project/Site Located in Whole or in Part on Tribal Lands?

○ Yes  ○ No

Is This A New, Continuous or Renewal Permit (Please select one of them below)?

○ New Permit  ○ Continue a Permit Application  ○ Renewal Permit

Choosing “New Permit” starts a new permit application.

Choosing “Continue a Permit Application” allows you to continue a “New Permit” as long as there was not a final submission.
Questions & Answers for No Exposure

1. Does the facility dispose of wastewater or have a wastewater application?
   Explanation: Does the facility have a permit issued by NDEP BWPC that covers all processes at the facility including Stormwater Discharges? If yes, please contact BWPC to verify.
   Yes No

2. Does the facility store material or products outside in an exposed area?
   Explanation: Such as but not limited to drums, barrels, aggregate, sand, waste and/or containers outside that are not in a storm shelter. This includes drums/barrels/tanks or containers in secondary containment.
   Yes No

3. Does the facility load, unload and/or transport material or products in an exposed area?
   Explanation: The loading or unloading of trucks that are not backed into a facility or under cover. Also, trucks or equipment is loaded/loaded/transfer material or product via forklifts, hand carts, hand trucks or loader.
   Yes No

4. Does the facility have material handling equipment stored or used in an exposed area?
   Explanation: The use of forklifts, hand trucks, loaders or any other equipment used to handle material/product outside. Or, storage handling equipment is kept outside.
   Yes No

5. Does the facility store, keep materials or products in open, deteriorated or leaking storage drums, barrels, tanks, and/or similar containers in an exposed area?
   Explanation: This includes drums/barrels/tanks or containers that are in secondary containment.
   Yes No

6. Does the facility store or house materials or products of past industrial activity in an exposed area?
   Explanation: Areas that have old equipment or equipment parts, used barrels/drums/totes waiting for pick up or being stored outside, etc.
   Yes No

7. Does the facility have waste material stored or kept in an exposed area?
   Explanation: Includes but not limited to old parts, refuse, scrap, and/or waste in open dumpsters or bins.
   Yes No

8. Does the facility use, store, or clean industrial machinery or equipment in an area where residuals from machinery or equipment remain in an exposed area?
   Explanation: Includes any residuals or stains on the ground where equipment, machinery or vehicles are stored, used or cleaned in an exposed area.
   Yes No

9. Does the facility have materials or residuals (including spills/leaks) on the ground?
   Explanation: Materials or products that could cause the property to have any contaminated soil.
   Yes No

10. Does the facility handle or store material or products on roadways or railways owned or maintained by the discharger?
    Explanation: The facility maintains or owns the road where the facility is located or the railway it uses for delivery/transport.
    Yes No

11. Does the facility have particulate matter or visible deposits of residuals from roof stacks and/or vents that could be evident in storm water outflow?
    Explanation: This includes any vent that releases any residual that is on the sides of vents and/or roof stacks and can be washed away in a storm event.
    Yes No

Submit

This screen will pop up next
If you do not know the latitude and longitude, press the “Get Lat/Long” to autopopulate. You may also input the coordinates manually—make sure that they are rendered in decimal degrees!

When you select your Sector, it will filter the SIC codes to those within the Sector.

If you do not qualify for a no exposure waiver, then this screen appears after Section 5. If you qualify for a no exposure waiver skip the next two slides for your instructions.

ATTACHMENTS

Please upload the required documents (site map, construction plans, BMP Plans, etc.). Only PDF files are allowed. If there are more than one file, please merge those files and upload them as one attachment.

* If the file exceeds 5 MB in size, please submit hard copies of the required documents with the NOI.
* To finish the upload, you must hit the upload button after selecting the file

You may upload a site map here. You do not need to submit or send in the Stormwater Pollution Prevention Plan (SWPPP)—it stays on site!
This page will pop up. Review this information.

If you need to correct or add information, use the “Previous Page” button.

You may exit the General Database System before completion, but you will need the “New Permit” number (located third line from top) to re-enter the application process, using “Continue a Permit Application.”

Choosing “Submit” will “lock” the page and no more changes may be made. The printing window will open.
Print the Notice of Intent, read the Permittee understanding section, sign it with a color other than black, and mail it with the application fee of $200 to the address on the application.

Please print your confirmation letter, then press “Finish”
If you are qualified for a no exposure waiver, then this screen appears after Section 5.

Would you like to pursue a No Exposure Exclusion?

- [ ] Yes, I would like to apply for a waiver
- [ ] No, I want to apply for a permit anyway.
If you qualify for a no exposure waiver, then you can apply for a waiver or apply for full permit coverage. If you decide to apply for a waiver, this screen appears.

Please print your waiver confirmation letter, then press "Finish"
If you qualify for a no exposure waiver, then you can apply for a waiver or apply for full permit coverage. If you decide to apply for full permit coverage, this screen appears.
