

Comment Period - EXTENDED

Draft Nevada 2024 Water Quality Integrated Report

Comment period open *May 14, 2025, through 5:00pm PST July 17, 2025*

PUBLIC NOTICE – Comment Period Open

The Nevada Division of Environmental Protection is seeking public comments on the *Draft 2024 Water Quality Integrated Report (IR)*. This Draft IR is a status report on the quality of Nevada's surface waters, and has been prepared in accordance with Clean Water Act Sections 303(d)/305(b)/314. Data collected from October 1, 2017, to September 30, 2022, has been compiled and evaluated to determine whether State water quality standards are being met and whether beneficial uses are supported. The IR serves as a planning tool for managing the State's surface water resources.

The *Draft Nevada 2024 Water Quality Integrated Report* and supporting information are available at:

<https://ndep.nv.gov/water/rivers-streams-lakes/water-quality-standards/303d-305b-water-quality-integrated-report>

BWQP invites your comments on the *Draft Nevada 2024 Water Quality Integrated Report*. This draft document is subject to change based on comments received during this public participation process. All written comments received before 5:00 p.m. on July 1, 2025, will be considered during the finalization of the Nevada 2024 Water Quality Integrated Report.

Public comments accepted until 5:00 p.m., July 17, 2025.

Submit comments by mail or email to:
