

Notice of Intent to Conduct a Triennial Review of Nevada's Surface Water Quality Standards Nevada Division of Environmental Protection

The Nevada Division of Environmental Protection, Bureau of Water Quality Planning (BWQP) is initiating a review of Nevada's Surface Water Quality Standards (WQS) in accordance with 40 CFR 131.20. This review is to evaluate the need to update or revise Nevada's WQS to remain consistent with State and Federal law and to ensure that Nevada's WQS continue to reflect the best available science.

Please note this review does not apply to Safe Drinking Water Act or groundwater standards.

BWQP is soliciting public input from all interested parties on any aspect of Nevada's WQS that should be considered for potential revision. Water quality standards for Nevada surface waters are contained in the Nevada Administrative Code, Chapter [445A.11704 - 445A.2234](#) inclusive. Public comments should include the issue, suggested revision, and the basis for the suggested revision including any supporting technical information or reports.

The Triennial Review meeting will be held virtually from the Bryan Building at 901 South Stewart Street, Carson City, NV in the Bonnie Conference Room, located on the 1st Floor, East. The public is encouraged to participate either virtually, in person, or telephonically using the links or the dial-in numbers provided below. The meeting will consist of a brief presentation by NDEP staff and a public comment period. No items will be voted on and no actions will be taken during the meeting.

The hearing will be held online via TEAMS
