

## **Informational Notice of Hearing Proposed Regulation LCB file Number: R113-22**

**March 21, 2024**

Proposed regulation Legislative Council Bureau file number R113-22 will be presented to the State Environmental Commission at the regulatory hearing scheduled for March 21, 2024.

R113-22 Antidegradation Regulation proposes the adoption of an updated antidegradation program for Nevada with clear implementation procedures to protect the integrity of high-quality surface waters from degradation as required by NRS 445A.565 and 40 CFR 131.12.

Current documents, including the draft proposed regulation and previous versions can be found on the NDEP website.
